

Technical Rider A Matter of Time

SPECS

Location: Indoor. Mid-scale stage, e.g flat floor theatre with an intimate setting. Show is front facing.

Stage measurements: 8m wide, 8m deep, 8m high (min. height 4m50)

Duration: 50-60 mins

Capacity: 300

Minimum Age: 6+

Performances per day: 1 or 2 times

Persons on tour : 4 or 5 (confirmed on booking)

Disciplines: Juggling, dance, acrobatics

To be provided by theatre:

- 1) Aluminium pole with curtain.

This needs to be set up in front of the theatres own back curtain, the same colour as the theatre's curtain. This will provide a place for the performers to leave their props and to change props during the show. It will also be the surface on which the timer is projected. Minimum width 2m.

static curtain hung by aluminium pole. Same colour as theatre curtain. (curtain does not need to be moved)
curtain height: minimum 2.5m

2) Ceiling projector.

A ceiling projector is needed to project onto the above mentioned curtain. This should not interfere with the performers on stage.

Final stage set up:

static curtain hung by aluminium pole. Same colour as theatre curtain. (curtain does not need to be moved)
curtain height: minimum 2.5m

Aluminium bar and curtain to be provided by the theatre. Ceiling projector to be provided by theatre. Alarm clock and table and small box for hiding hairdryers supplied by TeaTime Company.

Technician: TeaTime will bring our own technician to the venue.

Lighting: See light plan.

Sound: Theatre speakers.

Requirements and Conditions

- Lunch, Dinner and water supplied by the organiser.
- Front and Backstage Pass for five people.
- Hotel (if necessary): Two double bedrooms and one single room.
- A changing-room that can be locked where the artist can leave personal belongings.
